

# Saribelen Greenpark Villas

Saribelen Greenpark Villas are located in the Saribelen district of Kalkan, up on the prestigious Bezirgan road, just 10 minutes drive from Kalkan village. Built by a well-respected local developer, the villas are set in a quiet and cool area, surrounded by spectacular lush green hills, among 200 year old trees, with a tranquil stream running by.

There are 6 villas in this prestigious new luxury development. All constructed from beautiful local stone, with 2 bedrooms (each with a balcony), 2 bathrooms and high vaulted ceilings for the spacious reception room, which also features a beautiful stone fireplace.

The properties will be sold unfurnished but with fully fitted kitchens. Each villa has its own fresh water swimming pool, gardens and private parking.

One of the six properties has a third bedroom.

At the time of writing (August 2009), three are already sold and three remain available, including the three-bedroomed villa, which is priced at GBP 185,000. The two-bedroomed villas are priced at GBP 155,000 each.

We will try to update our photos as the project progresses, hopefully to completion in September/October 2009.
