"The first impressions of Villa Dolluca will always stay with me. A large ornate door introduced me to the splendours of what lay beyond – a beautiful home that my family and I enjoyed for two weeks. Lovely tiled floors led you through to a patio where one could see gorgeous panoramic views across a crystal-clear bay. These views are reflected in the large impressive windows which feature throughout the villa. We wanted for nothing. Thank you for such a memorable holiday, certainly one we would like to repeat. Already anticipating our return."

"Thank you for letting us spend a week at Villa Dolluca – it has been paradise in Turkey. We love Turkey and feel very lucky to have spent our first holiday here in Kalkan as the people and the food are fantastic. Arif and his team deserve a special mention – they made us so welcome and nothing was too much trouble. The use of the mobile `phone is an excellent idea! Hope to see you all next year!"

"Villa Dolluca is beautiful. I really love the small town of Kalkan. The view is stunning – it could not be better. Thank you for a very nice house – the best in town!" Malin H – Stockholm, Sweden

"These two weeks have been great here in Villa Dolluca. It's a nice house and the view is wonderful. Kalkan is also very nice. Thanks for letting us spend our holiday in this beautiful house!" Ellinor B – Stockholm, Sweden

"It has been a wonderful two weeks in Kalkan, extra comfortable in this beautiful villa with the wonderful view. I like Kaputas beach best with its wonderful blue and clear sea. We also went to Fethiye (Olu Deniz) for one day and loved it very much. Kekova is also a good place to see. Hope to come back again sometime in the future. Thanks!" Anneli J – Stockholm, Sweden

"A great week in a fantastic restaurant-filled setting..... what more could one ask for? Villa Dolluca and its position above the town (with the most amazing views), only serve to start the holiday with what matters most – RELAXATION!! After what can only be described as a hectic week before arriving, we both slipped into the holiday mood straight away. Kalkan is a fantastic little town, full of very friendly and helpful people and some superb restaurants. Our best recommendation would be 'Coast'. A great setting, brilliant views from the roof terrace and what can only be described as excellent food!! Patara Beach is also worth a visit with its miles of sand and great café. The drive to Kapatus Beach is stunning with fantastic views of the coast. All in all, a great, relaxing week in a superb setting! Thanks." Ian and Emma, Prestatyn, UK

"We have really loved our holiday in Kalkan at Villa Dolluca. The quality of the villa is self-evident and well described. We have found it very hard to leave to go anywhere! All in all, a great holiday. Hope to return soon!" Martin and Mandy H, Cheshire, UK

"Despite arriving at three in the morning, we relaxed as soon as we got to the villa – Absolutely Fabulous! Our favourite restaurants were Ibo and Gironda (book the day before if there's live music playing). Had a day on the boat with Captain Lucky – really relaxing, a great day out. Thanks for letting us have your lovely Villa – we will definitely come again." Phil, Kerry & Sue, Cheshire, UK

"Wonderful views by day and night. A great space with everything we could need. Hire a speedboat and go snorkelling, diving and water skiing. Xanthos was worth searching out (go late afternoon after the hordes) – find a guide as the history makes it come alive – ask about the lions! There is a Turkish Bath in Kalkan called Atlantis Wellness (£35 for two hours of total bliss). We have eaten well out and in (thanks for the starter kit of provisions). Paprika's live jazz is cool and our favourite place, we named 'The Kazbar' (Ottoman Bar) – great for sitting on cushions, eating with fingers, people watching and playing backgammon. A fabulous week, thank you." Martin & Lisa, Cirencester, UK

"Back again for one more week at Villa Dolluca. Once again, we had a great time. We visited Patara Beach, the ruins at Myra and hiked along the Lycian Way. Thanks again for a very special holiday." Laura L and Family, UK

"Just a quick note to let you know how much we enjoyed Villa Dolluca. The facilities were fantastic and the views were breathtaking. Little touches like the CD player and the alarm clock were very much appreciated and the décor was very tasteful. Colin, his wife and the cleaners were very helpful without being intrusive and though we were there just for 7 days, we were made to feel at home. We really enjoyed the area but one week just was not enough and if you are renting out the villa again next year we would certainly consider returning. Once again thank you for letting us use your villa. Kind regards." Colin, Beth, Matthew and Jessica - Bath, UK

"We have just returned from Kalkan and just wanted to say what a lovely time we had at Villa Dolluca - you have a very beautiful villa with stunning views - we enjoyed our time there enormously. I can't sing its praises enough - we have stayed in villas all over the world & this is certainly top of the list." Avril and Partner - Surbiton, UK

"Just a quick note to tell you what a fantastic time we had in Kalkan. The villa was excellent and the pool very welcoming in the August temperatures! The service offered by Colin was also first rate. Food was great and the people very friendly. The high point was the Thursday market which went down a bomb with the kids! And who could beat Patara beach? We will certainly be in touch for next year if the villa is available. Thanks." Mike & Paula - Charlesworth, UK

"Just back yesterday and wanted to say thank you very much for a wonderful holiday. The villa is superb and Kalkan is lovely. All the arrangements made by you ie the car hire and your local agent, ran like clockwork and made for a very relaxing week away. Will definitely be in touch re booking the villa again. Once again many thanks." Rob M & Family, East Sussex, UK
