"We have just had a really fantastic two weeks in your lovely villa, every day was a joy and the restaurant food was exceptionally good. We loved Kalkan and will definitely do a return trip. We thought we would also let you know that we had lovely meals in The Kosk and Girona restaurants and we also loved Saklikent Canyon and Patara Beach. Thank you once again". - Victoria, James, Charlie and Robbie - Formby – UK

"Just to let you know we had a lovely holiday. The villa is as nice as we expected and we would hope to return again sometime. Thank you for the recommendation for the lazy day at sea. We had a great day". – Bridget B and Family – Manchester – UK

"The holiday was perfect in every way! Your villa was like home from home, Kalkan itself is gorgeous and the people so friendly. I could have stayed there forever! You're right it was awful coming back to such dismal weather after such a hot fortnight. My tan will soon fade!" – Ruth C – Swansea - UK

"Just a quick line to thank you for the use of your lovely villa last week and for all the hints and advice you gave us before we went. We all had a great time and the locals were very friendly. Please pass on my thanks to Sue and Richard (from the Management Team) who were great. Can I ask if the same week is available next year?" - Mike C and Family - Selsdon - UK

"Just wanted to drop you a line and say how wonderful the Villa Nefis is!! We had a fantastic time in Kalkan, friendly people, lovely food, constant sunshine. The maid service was much appreciated and the pool guy kept the pool very clean. I will definitely recommend Kalkan and the Villa Nefis to friends and family in the future, thank you for your excellent holiday accommodation". - Vicki C and Family - UK and USA

"I just wanted to pass on my comments about the villa and thank you for making everything go so smoothly. Could you please also pass my sincere thanks to Sue who also did a great job in looking after us. We had an absolutely fantastic time in Kalkan and now back home we are trying to think of things we can do to sustain a living out there! We made a lot of friends including a lovely little cat and big sappy dog who adopted us for the week. The villa is beautiful and was exactly as in the pictures which is very rare. I only wish now we had booked two weeks - next time. We will certainly be staying at Nefis again as we found the peaceful location with such a beautiful view just right and the walk up the hill to the villa made you appreciate lounging around at the top! We did a lot of that! Thanks once again. Look forward to contacting you very soon with our next booking!" - Sarah & Partner, Essex, UK

"We had a great time. Kalkan is beautiful, the food was superb and the villa was great. I'll certainly be recommending it to friends and family, so expect a few more bookings for next year. Thanks" - Justin & Partner, London, UK

"We all loved the villa, the location was good, the views terrific, the pool & patio fantastic, our house cleaner also very, very good. We had several BBQ's and the chefs (the men of course) thought the barbie excellent, only problem was we were so relaxed we had to have several pre-dinner drinks and ended up eating very late. We found the holiday very relaxing but also extremely hot and exceptionally humid - but got great tans. Sue was very helpful on our last day and was kind enough to find us accommodation up to our evening pick up, which was greatly appreciated. The minibus transfers were very good and much faster. All in all, everything was better than expected and we couldn't fault anything. So, thank you very much from all four of us for a really great holiday, wish we were still there, and I'm sure we shall be returning at some stage again. Kindest regards & many thanks" - Susie, Gary, Frances & Jim – Strathaven, UK

"We have had a wonderful holiday. The villa is great, temperatures have been above 30 degrees, the swimming was great, no cloud or rain, just blue skies. The beaches are wonderful and the people are so friendly – thanks." Jim and Val, New Plymouth, NZ

"Fantastic villa! Would recommend a car as driving is very easy in and around Kalkan. Great food at the Sofra, Fisherman's Terrace and a really good steak at the Atlantis. Saklikent Gorge is a must during your stay. Yet again, Kalkan has provided us with the perfect holiday." Ron and Ruth, Ealing, UK

"Just lovely!" Duncan, Gina, Neil & Helen, Kent, UK

"Everything just perfect!! For excellent food and a good chat with no hassle, try the Kaya restaurant by the first roundabout." Gary and Frances, Hampshire, UK

"Great villa, great place, great food! Cannot fault Kalkan in any way. People are really friendly and great with kids. Will return one day, many thanks." Watson Family, London UK

"We've had a wonderful time..... car hire recommended as it meant we could go to Patara Beach, Saklikent Gorge, Xanthos and Kas all under our own steam. The supermarket will deliver to the villa free of charge if you don't bother with a car though. We'd recommend 'Koru'Nun Yeri' – local eating house, inexpensive and very authentic. Try the Turkish ravioli and moussaka (pancakes are good too). It's on the road to Kaputas (on left). Also called 'Kurus Place'. For the more adventurous, paragliding at Olu Deniz was amazing (approx £50 per head but well worth it – would go again any day). Take a lazy day at sea with 'Captain

George' on the Egeman 2 from Kalkan harbour – he's hilarious. Go to the The Ottoman House for a genuine Turkish meal. The leg of lamb and stew are both very good. Ali Baba's is really cheap and very tasty. The Hotel Elite (just down the road) has a mini-spa for a really good massage, pedicure and manicure at reasonable prices. The hotel itself has a very friendly staff who offer the warmest welcome in Kalkan. The food's great too!" Barry, Margaret & Marissa – Dallas, USA and Vicki – Swindon, UK

"We have had a wonderful time at Villa Nefis and in Kalkan. Go to Patara Beach for swimming and lazing around in the sun. Eat out at Belgin's Kitchen and experience eating in Turkish style on floor cushions with a fantastic view over the bay. Kaya restaurant is great too and Kadir will entertain you with his magic tricks. Pay a visit to Kleo's bar on the harbour for some late drinking. Kalkan is beautiful and we will be back very soon!" Sarah, Chris and Paul, Rayleigh, UK

"We've had an excellent time. Villa Nefis is lovely and Kalkan is beautiful! Spent our time lounging by the pool, admiring the view and soaking up the sunshine. We'd then venture into the village for food and great food at that. Ali Baba's might be the cheapest but we think possibly the best food, so we'd strongly recommend you pay them a visit. We also had a lovely meal in Daphne's. There's a great night-time view from their roof terrace. This was our first visit to Turkey and it certainly won't be the last. Thanks!" Justin & Natasha, London, UK

"A great place for a relaxing family holiday. Kalkan is a lovely village with plenty to keep you busy is sitting by the pool ever gets boring. We thoroughly recommend the boat trips (the mud baths are wonderful) which are great-value days out. Kaputas beach is also brilliant but take some refreshments with you. We planned to hire a car but didn't bother in the end because the Dolmus's work so well. The heat in August is pretty intense – not to everyone's liking but we thought it was awesome!!" Birley Family – Surrey, UK

"Thanks for a great holiday everything was excellent." – Alan R and Family – Sheffield - UK
